From the Chairman's Desk

K. J. College of Pharmacy Babatpur, Varanasi has been shipping pharmaceutical Technologists since session from current year with the great success. The institute was built with a vision to provided Pharmacy aspirants with a world-class learning centre. As a primary provider of responsible and qualified industry ready professionals, the college from the beginning had tried its best to benchmark itself as top of the line pharmacy institute with a global vista in sight. At KJCP young Pharmeceutical Technologists are groomed with great care. thereby ensuring that they are serious about their focus in life The growth of the college will be phenomenal. The aesthetically designed college building, green lawns, playgrounds and separate hostels for boys and girls have come up one by one in quick succession. The college has offered B.Pharm, D.Pharm Course of each course Approved by- AICTE & PCI New Delhi.

The college is truly proud in having latest development aids for creating industry-friendly learning environment as well as best faculty strength with a rich blend of academics and corporate professionals. My sincere thanks to the faculty and staff of K.J. College of Pharmacy for their value added contribution. I am confident that the team spirit of students, faculty and staff of the college will take the college to be one of the best in the country in near future.

My best wishesh to the guardians and students who have responsed faith in us

Mr. Pradeep Kumar Singh
(Chairman)

From the Deputy Chairman's Desk

It is my immense pleasure to write this message and welcome you to K.J. College of Pharmacy. I strongly believe that at K.J.C.P. you will find the perfect ambience to fulfil your strong desire to acquire a higher level of skill and broader knowledge in the field of pharmacy. Pharmacy is known since ancient times as an integral part of medical health care system in our society. Despite its importance the field was localized as an art of compounding and dispensing the medicinal preparations. It is only during the last eighty years that due to phenomenal growth and advancement of science and technology including chemistry, concept of pharmacy has drastically changed in recent times. Today pharmaceutical technologists are involved as the most important member responsible for the development of new drugs and other health care related works. development of new drugs and other health care related works. Keeping in mind the growing importance and demand for the welfare of the society at large, K.J. College of Pharmacy has initiated to impart quality pharmacy education from session.

We do hope that in times to come the college will mould the future of pharmacy students and groom them to become the best choice of the Pharma industry. We welcome all Pharmacy aspirants to this excellent institute.

Dr. Yogendra Kumar Singh

(Vice Chairman)

M.D.- Sanmukh Hospitals Pvt.Ltd.

Babatpur, Varanasi

From the Principal's Desk

In tune with the vision of K.J. College of Pharmacy and to transform the Institution to a global center of learning we impart the much needed up-to-date knowledge to our beloved students in a friendly and homely environment. The faculty of the Institution is hand-picked from academia and industry and we boast of a very high teacher-student ratio, comparable to none in this part of the country. The manpower behind the institution maintains a balance of young dynamic individuals and highly experienced seniors who steer the teaching and learning process of the college as per the dynamic global requirements. This is reflected in the high rate of placement of our student's after their coursework and the highly satisfying feedback that we get from their employers. This results in the Prospective employers returning to us from more students every year.

The college cultivates and encourages out-of-the-box thinking necessary for success in the profession and patronizes the students to acquire strong scholastic ability, integrate diverse perspectives and approaches with real world applications, to become future pioneers in the profession of pharmacy. We are proud of our well-earned reputation as a premier institution for academic and research pursuit - thanks to our students and the supporting management, motivated faculty and staff.

The college provides ample opportunities in extra-curricular activities, viz., social service programs, sports, various competitive and non-competitive cultural events, quizzes, etc. - at institutional, local, state and national levels. Every year, our students bring laurels from such events. This all-round development is necessary to make a complete professional.

I, on behalf of the management, faculty, staff and students of K.J. college of pharmacy, welcome the prospective students and their guardians to visit and join us in our journey to make India a fundamentally strong country and a global player. Wishing every body all the success in your academic pursuits.

Dr. Mithilesh Dwivedee

Principal

Campus Facilities & Amenities

Hostel Accommodation

Hostel accommodation separately for boys and girls with proper security arrangement are provided the college to accommodate almost all its students. Each hostel provides a decent ambience and a feel-good climate. They are equipped with all amenities for living, dining and recreation that make each inmate feel at home.

Canteen and Common Room

A canteen within the campus provides good quality snacks and meals to satisfy its clients. The common room is built with an idea to host co-curricular activities and cover a diverse range of recreational, sporting, cultural and leisurely pursuits.

Sports and games

To endorse excellent in sports and provide organized recreation and activity, outdoor and indoor games and sports are encouraged. Our students enjoy the zeal of playing volley ball, cricket, football, badminton in the green playground as well as table tennis and carrom board as indoor recreations. Karate Training facility available in the Campus.

Annual Events

The college organizes annual sports meet every year to encourage its students with technical talents, musical and provide some relaxation amidst the busy campus life. The college organizes several events to disseminate the role of pharmacy graduates in the healthcare and society during the National Pharmacy week.

Transport Facilities

The Transport facility is available to students, faculty and staff members starting from various location of Varanasi City, Jaunpur cities, Pindra block etc.

Infrastructure

Classrooms

We provide well designed, well ventilated and well lit classrooms for enabling unhindered teaching and learning process with 'convenience' and 'care' as the key elements. These class rooms are smart class Rooms with Online Teaching and Lecture delivery facilities aided by smart Boards and Projector systems.

Laboratories

KJCP has well equipped spacious Department Laboratories for all the subjects of pharmaceutical sciences (Pharmaceutical Analysis Pharmacognosy, Pharmaceutical Chemistry, Medicinal Chemistry, Pharmaceutics, Physiology, Pharmaceutical Engineering Drawing, Microbiology and Biotechnology, Bio-Pharmaceutics and Pharmacology) as per the educational regulations laid down by PCI, New Delhi as well as AICTE, New Delhi Experiments are designed on the basis of theory concept so that the students can understand easily.

Instruments & Machine Room

Centralized instruments room is present as an added facility to support experiments of various sorts carried out in the different laboratories. The center of attraction is UV Projection Microscope, Cooling Centrifuge, Trinocular, Microscope, Elisa Reader and Washer, Recirculating Chiller, Brookfield Viscometer with small volume attachment, High precision imported pH meter, and Refrigerated cooling cum solvent recovery facility and Digital Plethysmometer etc to name a few. Handling such sophisticated instruments facilitate first-hand knowledge of high-level industry instruments. Machine Room of the institute Provides the facilities for pilot scale manufacturing of various pharmaceutical dosage forms, including tablets, semisolids etc.

Library

KJCP has richly equipped library to all students & faculty members. Library has a collection of all the books covering all the Subjects & National & International Journals.

Language Laboratories

A well equipped Language Laboratory helps students weak in english to hone up their Language Communication skills under the watchful eye of a full time faculty. The Lab is an air-conditioned networked computer aided facility with dedicated software for developing languages skills.

Medicinal Garden

The institute has developed a good number of medicinal and aromatic plants in its well organized Medicinal Garden. These medicinal plants enthuse the students to identify them for demonstration as well extraction of different kinds of drugs and also to generate an aptitude for research in Pharmacognosy and Phytochemistry.

Museum

A Pharma museum with display of crude samples, photographs of medicinal plants, charts, proprietary medicines, containers, dosures etc. is established which is informative and educative.

Computer Facilities

The collage start using computers from its very inception both in its academic and administrative activities. To cater computing needs to all students and faculty for their professional activities, KJCp provides state-of-the-art computer laboratory. There are two clusters of modern state-of-the-art computer laboratories situated separately in the B.Pharm and D. Pharm buildings within the campus for the use of students and research scholars. The large number of PCs are also high quality laser printers, DMP printers, scanners and multimedia projectors.

The B.Pharm computer laboratory is also designed to train the students in basic electronics and computer applications as well as to extend added training on computer aided drug design and molecular modeling (QSAR- Study)

Training and Placement

Helping and guiding the students in shaping their career as per their aspirations has become an integral part of higher education today. In order to exclusively take care of these aspects, the college has a Training and Placement unit which acts as the interface between the recruiting organization and our students.

It facilitates recruitment events on-campus as well as off-campus as required. It also organizes various pre-placement grooming programmes to enhance the employability of the targeted student's and make them industry ready. To obtain the best placement options, we focus on the following lines to optimize result.

- ✓ Stress on development of soft skills in addition to in-depth
- ✓ Training in presentation skills, Group Discussions, Personal Interviews.
- ✓ Time to time counselling by trained personnel
- ✓ Arrange summer trainings
- ✓ Arrange campus and off-campus interview on continuous basis to achieve high rate of placement
